Dear Mr. Dela C. Blagooee,

Application for Pupillage – SENA AKU ADDE

I am a Part Two (2) student at the Ghana School of Law, and I am applying to be a Pupil at your distinguished law firm when I am successfully called to the bar in October 2024. I am looking forward to a hands-on experience at your noble law firm.

With over 4 years of experience working as a Research Analyst and Consultant with Konfidants, a multidisciplinary firm based in Ghana, I have gained skills and knowledge in the following areas which I believe are relevant to some of your practice areas:

- Start-ups & SMEs
- Extractives & Natural Resources
- Sovereign Wealth Funds and Public-Private Partnerships
- Africa Trade
- Project & Event Management
- Agribusiness

Serving my pupillage at Blagooee, Blacksword & Co. will equip me with the needed training in advocacy, and taking responsibility for cases, as well as coaching from my seniors.

I am eager to learn and despite being a pupil, I look forward to contributing to the impactful work you do at Blagooee, Blacksword & Co with my experiences garnered over the years, as well as what I will be learning.

Thank you for considering my application. I look forward to hearing from you soon.

Attached is my CV for your perusal.

Yours sincerely,

Sena Aku Adde
