DEAR SIR / MADAM,

APPLICATION FOR PUPILLAGE

I write to apply for pupillage placement at your esteemed law firm. I have completed my professional law course at the Ghana Law School and have successfully been called to the bar.

I obtained my bachelor of laws degree from the Ghana Institute of Management and Public Administration (GIMPA), Accra and proceeded to the Ghana school of Law for the professional law course.

I have the ability to relate well with people on individual basis whether, advising, negotiating or explaining legal issues. I can handle several different tasks concurrently.

I believe I would be offered a place at your law firm to enable me fulfil the legal requirement for a newly qualified lawyer to undertake six months mandatory pupillage.

I hope I would be considered as a pupil at your law firm.

Thank you.

YOURS FAITHFULLY

GRACE YALLEY
