Dear Sir,

APPLICATION FOR EMPLOYMENT AS AN ASSOCIATE

I am writing to express my strong interest in working as an Associate in your reputable firm. As a highly motivated and dedicated Lawyer with a strong passion for legal practice, I am confident in my ability to make a valuable contribution to your team.

As a success-driven individual, I possess excellent research and analytical skills, with a strong understanding of legal principles and procedures. My experience in drafting and reviewing legal documents, conducting legal research, and providing sound legal counsel will enable me to contribute meaningfully to the firm's growth.

I am particularly drawn to Blagogee and Blacksword because of its philosophy to provide an enabling environment for Professionals without sacrificing the opportunity as a training ground for other calling in career paths. As a legal Professional, I share in this philosophy, and am eager to be part of this team.

Having had the opportunity to work as part of a team including Dehyena Chambers and Minkah Premo, Osei Bonsu, Bruce – Cathline and Partners (MPOBB) I strongly believe that the skills, training and experience acquired there as an Associate and Paralegal will translate well to the Associate position in your reputable firm.

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications further and explain why I deserve to be part of your esteemed team.

Sincerely,

Sandra Ansomah Osei (Esq.)
