Dear Sir,

APPLICATION FOR PUPILLAGE TRAINING 2024/2025

I am writing to express my keen interest in a pupillage opportunity with Blagogee, Blacksword & Co. With a solid foundation in corporate and commercial law, complemented by hands-on experience in litigation, I am eager to contribute to your esteemed firm and further develop my legal expertise under your guidance.

During my legal studies and internships, including my role as an intern at N.Dowuona & Co and the legal department at Freyssinet Construction, I honed my skills in contract drafting, legal research and case management, aligning with your firm's area of practice. I am particularly drawn to your firm's reputation for excellence in Company and Commercial Law, Contract Law and Litigation, and I am confident that my passion for the aforementioned and strong work ethic make me a strong candidate for this pupillage.

I am eager to bring my analytical abilities, attention to detail, and dedication to the legal profession to Blagogee, Blacksword & Co. I am confident that the combination of my academic background and practical experience will allow me to make a meaningful contribution to your firm.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your firm, and the opportunity to have the start of my legal career finetuned and polished, under your tutoring.

Yours faithfully,

Amihere, Benjamina Bernice.
