Dear Sir,

APPLICATION FOR THE ROLE OF A JUNIOR COUNSEL

I am writing to express my interest in the Junior/trainee Associate position at Blagogee Blacksword & co .I recently completed my pupillage at Volta River Authority on the 31st of May 2024, and I am enthusiastic about the opportunity to bring my evolving skills and passion for law to your esteemed legal Department.

Throughout my pupillage, I have been actively involved in various legal facets, including client conferences, legal research including energy law, oil and gas law, labour law, commercial law , taxation among others, contract reviews, court appearances, legal drafting, and even undertaking the responsibilities of a company secretary. These experiences have not only broadened my understanding of legal intricacies but have also equipped me with practical skills that I am confident will contribute to the dynamic environment at Blagogee, Blacksword & co.

My journey in the legal field includes valuable stints with Robert Smith Law Group and an internship at the Africa Investment Group (AIG). These experiences have shaped my interests, steering me towards corporate and commercial law, as well as IT law which are also key focus areas of your distinguished firm . Joining your team in June 2024 would provide me with the opportunity to further refine my skills under the guidance of your accomplished legal professionals.

As an undergraduate at the Kwame Nkrumah University of Science and Technology, Faculty of Law, I cultivated exemplary interpersonal and writing skills. Actively participating in tutorials, I honed my ability to articulate legal concepts clearly. However, I view this as a foundation to build upon. I am a determined and fast learner, ready to extend my knowledge and skills in a professional setting.

My commitment to handling responsibilities efficiently, effectively, and in an organized manner positions me as an ideal candidate for the Junior Associate role at your department. Beyond that, I believe my proactive approach and eagerness to learn align with the ethos of this firm

I am confident that if given the chance, I will be a valuable asset to your organization, contributing not only to the casework but also to the overall growth of the firm. I am

available for an interview at your convenience and have attached my resume for your perusal. I appreciate your time and consideration of my application.

Thank you, and I look forward to the opportunity to discuss how my skills and passion for the law can contribute to the success of the department .

Yours Sincerely,
