EDUCATION:		
December 2022 to Date. Ghana Law School, Accra. Professional Law Courses:	COURSES BEING STUDIED: ➤ Criminal Procedure ➤ Civil Procedure ➤ Legal Accountancy ➤ Law, Practice Management ➤ Alternative Dispute Resolution ➤ Company and Commercial Law Practice ➤ Law of Evidence ➤ Law of Interpretation ➤ Advocacy and Legal Ethics ➤ Conveyancing and Drafting ➤ Family Law	
July 2022 to November 2023. University of Salford, Manchester, U.K. LLM - International Commercial Law Degree	COURSE DETAILS: International Intellectual Property Law. I have grasped the fundamental legal concepts of Intellectual Property within a global commercial setting and about EU Intellectual Property Law and how it operates in a global context. I have also gained an in-depth understanding of the global regulation and policy-making that underpins the commercial exploitation of Intellectual Property rights. I have developed a general range of transferable and generic skills in problem-solving and reasoning, negotiation, time- management and written and oral communication, as well as built my capacity for critical analysis and logical thinking. International Corporate Law and Governance. I have developed an understanding of the fundamental legal concepts that characterise corporate identity and activity in a global context and gained an advanced and analytical knowledge of the theoretical framework underpinning corporate governance theories and strategies, and the varied approaches to their regulation. I have a comparative understanding of these concepts of corporate identity and corporate governance to at least two regional models of corporate governance (indicatively from Anglo-American, Western European and Asia-Pacific).	

	I have been encouraged to think critically about theory and practice in an ethical and professional manner. International Law of the Sale of Goods. I have developed an in-depth understanding of the role of law in the sphere of international business transactions and acquired advanced knowledge, understanding and expertise in the law applicable to international agreements and their negotiation. I have developed a general range of transferable and generic skills in problem solving, negotiations and reasoning. Advanced Contract Law and Negotiation. I have gained a thorough grounding in the major issues and perspectives of the law, with a particular focus on contractual terms relating to the international sale of goods, intellectual property rights and corporate arrangements. I have an overview of the strategic importance of skilled negotiation in the execution of transnational business contracts. I have developed my knowledge of the strategies, tools and skills for effective negotiation of transnational business contracts.
